# NEOLITHIC ANALYSIS REPORT

**Social Scientist:** \_\_\_\_\_

**Period:** \_\_\_\_\_

*Directions:* In this activity you will do in a similar way what you did for your Neolithic Analysis Report. You will study various Neolithic artifacts and then use your observations to answer the following questions about Neolithic peoples. When you answer you must USE COMPLETE SENTENCES & SPECIFIC EVIDENCE from the artifacts to make your points.

**What Initial Major Changes Do You See from the Paleolithic to Neolithic Artifacts?**

**What conclusions have you drawn about Neolithic social practices?**

(think of: food, family, men & women relations, roles and positions, jobs, lifestyle, housing...ect)

**What conclusions have you drawn about Neolithic government & power?**

(think of: who rules, who is most important, how do you know this by the artifacts...ect)

**What conclusions have you drawn about Neolithic technology?**

(think of: what purposes do the technologies serve, why would they make them...ect)

**What conclusions have you drawn about Neolithic religion?**

(think of: burial, who is buried, how are they buried, what are they buried with, what do they depict in statues...ect)
